Vehicle Extrication Training

Date: August 17th, 2021

Time: 09:00-17:00

Cost: Free/ Lunch Provided

Location: SCFD Station 1; 270 E Main St, Adena, Ohio 43901

Short Creek Joint Fire District will be hosting a vehicle extrication class in conjunction with Atlantic Emergency Solutions. This 8 hour class will cover basic extrication and stabilization techniques. The lecture portion will begin at 09:00 hours at SCFD Station 1 located at 270 E Main St, Adena, Ohio 43901. The practical portion will start at 13:00 hours at Blackies Towing Company located at 614 N Main St, Cadiz, Ohio 43907. AES will have Hurst EDraulic Extrication tools and Paratech struts on site for fire companies to demo and use. Lunch will be provided by SCFD. Turnout gear, gloves, and safety glasses are required. Any questions please contact Assistant Chief Barsch at the contacts listed above. We look forward to seeing you there!
